

Docket No: 08-0307
Bench Date: 8/13/08
Deadline: N/A

MEMORANDUM

TO: The Commission
FROM: Eve Moran, Administrative Law Judge
DATE: August 4, 2008
SUBJECT: NexUStel LLC

Application for a certificate of interexchange authority to operate as a reseller of telecommunications services statewide in the State of Illinois.

RECOMMENDATION: Enter the attached Amendatory Order.

The Illinois Commerce Commission entered an Order on July 16, 2008, in the above captioned case. Subsequent thereto, it was discovered that the Application filed in the matter was inconsistent with certain Secretary of State documents of record. Simply put, the Applicant's name was capitalized and punctuated differently as between the two documents. This Amendatory Order corrects the spelling of the Applicant's name to be consistent with its Secretary of State filing.

I recommend that the Commission enter the instant Amendatory Order.
